

Van Bortel Aircraft, Inc.

WORLD'S LARGEST CESSNA DEALER

100% 60 Day / 60 Hour Moneyback Guarantee

I appreciate the trust you've shown in us by choosing a 'Van Bortel' aircraft, and I want you to be completely satisfied with it. That's why I personally guarantee the quality of our pre-owned aircraft.

If, for any reason you are not satisfied with your pre-owned aircraft, please let me know. Van Bortel Aircraft, Inc. will buy-back any pre-owned single engine aircraft we own from you (Purchaser) at one hundred percent of the aircraft purchase price paid by Purchaser any time during the first 60 hours of flight time or the first 60 days of ownership (whichever comes first) beginning on the date of delivery. All I ask is that the aircraft be returned by Purchaser to Arlington, Texas in the same condition as when purchased.

You deserve only the very best, and I want to be sure you get it.

Thank you for your business.
